RE: ASNT Outstanding Paper Award 2012

"Tomographic Reconstruction of Defects in Composite Plates Using Genetic Algorithms with Cluster Analysis" [Volume 22, No. 1, pp 31-60, January-March 2011] **Research in Nondestructive Evaluation**

Dear Dr. Munshi:

Let me take this opportunity to congratulate you, N.N. Kishore, M.A. Ranamale, V.V. Ramakrishna and W. Arnold for being selected to receive the **2012 ASNT Outstanding Paper Award** for the subject article published in *Research in Nondestructive Evaluation*, January-March 2011.

In order for us to properly announce the award recipients in our monthly journal, *Materials Evaluation* (October 2012), we ask that you provide ASNT Headquarters with the following:

- *Completed biographical data form (form enclosed)*
- *Professional photograph in an electronic format with a 300 dpi minimum*

Please forward these items either by regular or electronic mail to our Senior Manager of Marketing, Betsy Blazar (bblazar@asnt.org) at your earliest convenience, but no later than **Thursday, June 21, 2012**, to allow us to meet our production schedule. Ms. Blazar may also contact you to request additional information.

You will be recognized at the **Annual Awards Banquet of the ASNT Fall Conference and Quality Testing Show** in Orlando, Florida during the week of October 29 – November 1, 2012. Additional event information from the Conference Department will be e-mailed to you prior to the conference.

In the interim, if you have specific questions or concerns, please feel free to contact Stephanie Dille, ASNT Administrative Assistant, directly by e-mail (sdille@asnt.org) or by phone (1-800-222-2768, extension 223). She will be happy to assist you.

My personal congratulations on this prestigious award!

Sincerely,

Ricky L. Morgan
Chairperson of the Board
