

Indian Institute of Technology Kanpur Senate Scholarships and Prizes Committee

Donor Scholarships

The Institute gives Donor Scholarships to meritorious and needy students. The details of the various Donor Scholarships available for students and the criteria used for selection are listed in the following table. In addition to the criteria mentioned in the table below, the following conditions are applied while deciding the various Donor Scholarships. These criteria and conditions were approved in the 487th (2015-16/8th) meeting of Academic Senate held on 23-24 May 2016, 489th (2015-16/10th) meeting of Academic Senate held on 15 July 2016, 490th (2016-17/1st) meeting of Academic Senate held on 30 August 2016, or earlier meetings.

1. A student should have a CPI ≥ 6.0 and Total Family Annual Income (TFAI) $<$ (TFAI_norm). The TFAI_norm is 6.0 lacs currently. After the first round of Donor Scholarships have been decided, the means criteria may be relaxed to $(1.5 * \text{TFAI_norm})$. If there are donor scholarships still un-awarded, the following criteria may be used in awarding more donor scholarships.
2. A donor scholarships meant for students of a particular year in specific department(s), may be opened for other students in the following order: (i) students across all years within the same department(s), (ii) students of the particular year across all departments, and (iii) students across all years across all departments.
3. A donor scholarships meant for students of all years in a specific department may be opened for other students across all years across all departments.
4. If a donor scholarship goes un-awarded in an academic year, the scholarship amount available in the next academic year is double of the original amount. Therefore, this scholarship may be awarded in the next academic year to two students, if available, using prevailing guidelines.

The modifications above shall be applied subject to approval from the donor(s). Please note that the above criteria/conditions are referred to as MCM-Donor criteria in the table below.
