Enquiry letter for Turbo Molecular Pump

Dear Sir/Madam:
Quotations are invited for purchase of Turbo Molecular Pump of following Specifications:-

S. No.	Items	Quantity
1.	<p>Turbo Molecular pump-DN 100 CF-F</p> <p>Package consists of:</p> <ul style="list-style-type: none"> - Turbo pump DN 100 CF-F Pumping speed for N₂: 240 - 260 l/s Ultimate pressure with Ontool Dry pump: 5x10⁻¹⁰ mbar or better Operating Position: Any - Display and control unit - Mains cable - Connecting cable - Air cooling kit - Splinter shield DN 100 CF 	One

The Quotation should reach to SL – 113, Department of Physics IIT Kanpur before Oct 15, 2011.

Thanking You

Zakir Hossain
